

## Knit & Natter

The Knit and Natter group have continued to be as productive as ever!! For several years now, new and renewed friendships and lots of knitted items have been made and sent out to South Africa as part of the Cheslyn Hay Churches Baby Bear Project. And we now also have a group of ladies from other villages involved in knitting mania! This worthwhile project provides a basic set of items and a blanket for every baby born in a remote township hospital.

I would like to say a huge thank you to all those who have taken part in the group's activities and continue to produce a wonderful collection of blankets, hats, jumpers and baby bears for those less fortunate than ourselves.

Sadly, the group no longer meets regularly but individuals, across the Mease Valley and beyond, continue to produce items for the project in South Africa. I recently delivered several bin bags full of items to the organiser in Cheslyn Hay: these were gratefully received.

If you have some time on your hands, perhaps as a respite from the current soaring temperatures, and would like more information or patterns, then please give me a call.

We are also making a plea for double knitting wool. Left over balls of wool, of any colour, are always needed. If you have double knitting wool to spare, we would be very happy to take it off your hands! Just ring 373248 to arrange for collection.

Thank you. Jackie
