

Men's Breakfast meets at 10am on a Saturday morning at The Red Lion, Hopwas. The next meeting is Saturday 25<sup>th</sup> August. See the website or magazine for meeting dates.

Meetings are held jointly with men from St Leonard's, Wigginton and usually consist of a short act of worship followed by an excellent breakfast, (the works or just toast as you prefer), and then a discussion on the chosen topic for the day.

This is an excellent and informal opportunity to make and meet friends and take part in a lively and interesting discussion, which usually ranges widely off its original topic. Alternatively you might prefer to just sit and listen.

In any event you will be assured of a warm welcome. Come and join us for breakfast and an enjoyable discussion. No need to book, just turn up and bring a friend. Ring Rev Stewart (373248) if you need transport.
