Please read the Guidance Notes for Gravespace Reservations, The Guidelines including fees for non-parochial Faculty Petitions, and Costs of Faculty Petitions. You will be responsible for the Registry's fees and may be responsible for other costs and fees in addition.

In the box below, set out your reasons for seeking the reservation of a gravespace. *The box will accept 'free text' and will expand to fit your statement.*

Please ensure that you explain the full circumstances that you wish the Chancellor to take into account. In particular you should consider the normal principle that Christian burial is available to all parishioners when they die, if there is space available, and that by reserving a space, you may prevent someone else being interred in the churchyard who would have been entitled to burial there; you should explain the situation. Faculties are sometimes granted where people have had a particular connection with a parish over a long period of time, but the Court has a complete discretion in this matter and you need to explain why that discretion should be exercised in your favour. Some parishes have policies as to reservation, and you should read the policy carefully and if your case does not accord with it, please explain why it should not be followed.

Please be aware that your Petition and documents supplied may be served on family members to enable them to comment on it, or to object. Please also note that the information you provide to the Court may be made public in any judgment issued by the Court. If you consider that there is some reason why information should be withheld you may explain your reasons, but the Court is not bound to follow your wishes, and will not do so unless there is a special reason to override the normal principle of transparency in judicial proceedings
